Spoke to Gary and he knows very little, this is coming through Scott. The Bob Leitch part seems to be about his stress level not the substance of the issue.

Call me if you want. Otherwise I'll try to be on Tuesday at 2.

I'll be out in Pittsfield Tuesday afternoon, should be able to do a call. Ok if we invite Maggie as well?

Dean, I don't have any conflicts so whatever time is ok with you should work for me.

Bob & Dean - Scott Acone would like to have a discussion with the two of you and myself regarding the Technical/Professional Services Contract. Do you a 30 minute time slot available on Tuesday any time after noon?

The issue is procurement sensitive so request that you don't let anyone else know about this, including Bob Leitch.

Let me know. Thanks.
